**Notice of Change of Address**

***Dear Family and Friends,***

Please be advised that I have moved. I received a call the other day from God, the chief Architect, and he informed me that my new home was complete.

You all knew that I had been working on my building, sending up the timber, packing up, and getting ready to go. I knew that my mansion needed some finishing touches and the chief carpenter, Jesus Christ, had to inspect it and give the final approval. On the morning of January 28, 2013, Jesus let me know that my mansion is complete and that I could move in.

My new home is a sight to behold! It is located on an exclusive estate behind a beautiful Pearly Gate. It is just on the other side of a serene celestial shore. Of course, you know the streets are paved with gold and everyday is Sunday, just like you have been told.

I lived in Durham, NC for many years, but my new home is so much better. There is a peace, joy, happiness and no more pain here. I pray that you all get to move here one day.

Before I close, let me give you my new address.

*Reverend Johnny Wilson*

*1 Golden Gate Circle*

*God's Town, Heaven 070311*

P.S. I don't have a telephone, but you can always call on God. If you don't know his number, read your bible, it is listed on every page.

I see you with wings on your back and never paid it any mind, no one wants to say good bye or be left behind. I know you're with a higher power now, that's fine with me. God said we will have wings just wait and see, we will see you at the golden gates again, it's like we've been apart but became best friends, so spread your wings and fly away, God is with you in his name we pray.
